

Diclazuril 0.5 %

DICLAMIX®

Synthetic Coccidiostat / Granulated Premix

Each kg of product contains:

Diclazuril granular 5 g
Excipient q.s. to 1000 g

Target Species: Poultry

Mode of action:

Diclazuril is a synthetic anticoccidial, a benzene acetone-trile derivative. It effects on the asexual and sexual stages of oocytes inducing an interruption of the life cycle of the parasites by the loss of internal structure. Diclazuril is active against various stages of the life cycle depending on the particular species of coccidia.

Indications:

DICLAMIX® is being used as an aid in the control and prevention of coccidiosis caused by *E.acervulina*, *E.brunetti*, *E.necatrix*, *E.maxima*, *E.mitis* (mivati), *E.tenella* in broiler chickens and replacement pullet (up to 16 weeks of age) as an aid in the control and prevention of coccidiosis caused by *E.adenoides*, *E.gallopavonis* and *E.meleagris* in grower turkey for fattening (up to 12 weeks of age)

Contraindications:

Do not use in layers producing eggs for human consumption.

Dosage and mode of administration:

Orally, Mixing 200 gram of **DICLAMIX®** premix per ton of complete feed equivalent to 1 gram (1ppm) diclazuril.

Target Species	Diclazuril (ppm)	Diclamix® Premix (g/ton of feed)	Maximum Age (Weeks)
Broiler Chickens	1	200	-
Replacement pullet	1	200	16
Turkeys for Fattening	1	200	12

Notice:

Duration and amount of use should be administered by veterinarian. In order to reach uniform homogenization with feed, it is recommended to mix the measured quantity of the preparation (calculated on the basis of the prescribed dose) on stages in the following order up to 10 kg of feed; up to 100 kg of feed, and up to 1000 kg of feed.

Interactions: Do not mix or use simultaneously with any other anti- coccidiosis.

Withdrawal Time: 5 days before slaughtering.

Precaution: For veterinary use only. Keep out of reach of children. Wear overalls, impervious gloves, safety glasses and dust mask when handling or mixing the product. If **DICLAMIX®** accidentally enters the eyes wash eyes with plenty amount of water.

Storage: Keep in closed original pack, cool and dry place, below 25°C. Protect from direct sunlight.

Shelf life: 2 years from the date of manufacture.

Packing: 2.5 kg three-layers aluminum laminated foil.
